Alice moved to approve agenda . Michelle 2nd
VOTE: 4 FOR; 0 AGAINST; 0 ABSTENTIONS

BLM

Rich Adams, Richard Adkins, Deb McFarland and Beth Bigelow, this is not a consultation strictly information.

Nobel Energy and NEPA analysis and private land and private mineral. Monitors on the Seismic project was good.

Eureka Pipeline proposing and parallel the new south haul road. NEPA analysis is being started. The tribe will receive the NEPA documents

Sage Grouse CD was received by the Bands, Randy Brown is having a Public meeting. There will also be a meeting at the December 11th at the Red Lion.

Southwest Energy from Wyland flat to Elko, Federal agency will be the lead but BLM will be involved.

Oil and Gas leases to do analysis for parcels based on resource value and or cultural value. Lease sale will be held in April 2014. Spruce Mountain lease and Ruby Marshes have been deferred in the past due to the resource value. There are some in the Huntington area. It is explained that these are for sale parcels.

Reseeding of the fire areas for sagebrush for Smith Ranch and private lands is being done. The reseeding on the Chimney fire was done last year.

The Hollister EIS has been signed for the programmatic agreement. Battle Mountain has an interest and they are asking is interested in signing. Whether it is signed or not it will be carried forward no matter what.

Meeting at the BLM meeting on December 3rd for scoping for analysis and the public is invited.

Richard Adkins to manage the Dosawii project for the BLM there is a settlement and an agreement to make management to protect the quarry. 66% for the management of plan and 33% for the Newe and the wishes of the community and was only paid half from the settlement. He would like to create a committee to have representatives sit on this committee. There are ideas such as

benches, veranda, ethnography a would like to have a group to accomplish the group. The funds are tied to specifically for that area only.

A need to discuss the MOU with the BLM for Data sharing
